We're looking for someone with brilliant design skills, an eye for detail and not afraid of straight forward administration to cover full time maternity leave until the end of December 2011. You will need to be able to fit into our friendly small team straight away and be a quick learner!

Klaf's Technical, the UK leader in the Sauna and Spa industry are looking to recruit someone to fulfil the role of **DESIGNER** to join our small, high-energy team at the Klaf's Showroom based in Brunswick Dock, Liverpool. It's a great time to join our company where you will work with fantastic clients, whilst still maintaining a friendly small office environment. We know you will be impressed when you meet us, and we expect the same

About us:

Klaf's Technical, UK Gold partner of German firm Klaf's GmbH, has gone from kitchen table to boardroom table in just 4 years thanks to the winning combination of industry experience and savvy business approach.

Projects are varied ranging from single sauna cabin for private residential use to complete spa experiences encompassing sauna, steam, warm and cold rooms, aroma rooms, treatment spaces, and pools. Whatever the project size, the same approach is taken. Our values are the driving force.

Job Description:

- Draw up and render designs for new project enquiries using Photoshop and CAD.
- Create and amend technical drawings
- Creating quote documents
- Dealing with clients, customers and suppliers over the phone
- General administration duties including updating project files, dealing with post and couriers

Person Spec

- Relevant experience in using Adobe suite is essential, CAD is desirable
- You will be a clear and competent communicator, with the ability to communicate consistently and effectively with clients, prospective clients and suppliers
- You will display an excellent eye for detail and have the desire to maintain consistently high standards in all areas of your work
- the ability to act on your own initiative
- High-level administration and IT skills
- a desire to work as part of a team
- minimum of one year's experience in an equivalent position
- You must be well grounded and have a strong sense of responsibility, which is an essential part of our working ethos here at Klaf's

Salary: negotiable

Hours: Full Time 40 hours a week
